04 April 2020 Kathmandu You probably have had difficulty finding a suitable torrent file for your favorite TV shows or series. Don't worry, it happens with everyone. It is one of the toughest things because of so many promising torrent sites. We've got your covered here we are discussing 10 torrent sites to download TV shows. Don't waste your time, you will be able to find the torrent you're looking for in any of these. These sites are completely safe and active. However, you will need to take precautions against malicious links and spyware. Besides, you can't be too secure. Are Torrent Sites To Download TV Shows Safe? Torrent sites aren't always secure which makes it easy for hackers and threat actors to take advantage of torrent sites. They might target their victims by infecting these torrent sites with dangerous malware or intrusive spyware to steal your private data. We recommend the use of a VPN to mask your IP address and encrypt your traffic to protect your online identity. It is crucial if you want to hide your torrenting activity from your ISP. Note: Torrenting may be illegal where you live. Always use a secure VPN to protect your identity online when you torrent. We don't encourage any illegal activity. After you've downloaded the torrent file, you can then use software like BitTorrent, uTorrent, etc. to download TV shows associated with the file. Is Torrenting Illegal in Nepal? Torrenting may be illegal where you live. However, its legality depends on the content and not in the torrent itself. So, in the context of Nepal, downloading content can be illegal if you downloaded pirated products. The products which are protected by copyrights are automatically out of bounds when it comes to the law. Also, to take actions against downloading pirated content, the owner of the content must cooperate with law-keepers to carry the investigation forward. It can be a hectic process which most will hesitate to take. Another thing is the poor implementation of cyber law in Nepal that encourages online illegal activities and not torrents itself. It is to be noted that we don't encourage any illegal activity. Downloading torrent is legal as long as the content is not protected by any copyright. 10 Best Torrent Sites For TV Series in 2020 1.
